

Rules for 2017

- The 401 Quilt Run runs from October 1st to the 31st, 2017.
- Visit the participating shops between **Sunday October 1st and Tuesday October 31st 2017**. See the list of participating shops divided into 3 regions in the entry form. The entry form list of shops will be the official list and may differ from previous advertising. Please check ahead for shop hours and days of operation. Most shops are closed on Sunday and many are closed on Monday.
- When paying for your purchases, you will draw for a **discount of 15 to 30% off all your regular priced fabric**.
- Exclusive block kits will be available at each shop for \$7.99. Each kit will contain three fat 1/8's and a block pattern unique to that shop. Collect all 13 kits (one from each shop) for a total of 13 unique exclusive blocks. Using the block patterns, you can mix and match all the fabrics you have collected to create your own quilt top. Some shops may have finishing kits available to create a quilt top similar to the one featured in their shop or found on-line at www.401quiltrun.com
- At the time of checkout, you will draw a "Mileage Card". If you draw a Distance Mileage card, the shop will enter the mileage onto your entry form and stamp the form with their unique stamp. If you draw a Hazard or Remedy card, you will receive 25 miles unless you already have the matching Remedy or Hazard card from a previous shop, then you will receive 75 miles instead of the 25. The shop will draw an arrow connecting the 2 matching cards and write what the drawn card was. If already matched, then you may not match another card to an existing one. Anytime a Remedy or Hazard card are drawn, the type of card must be written on the form. If you draw a safety card, you will collect 50 miles and will be awarded a bonus prize as decided by that particular shop. No purchase is required to draw for a mileage card. Only one card may be drawn per shop and only the owner of the entry form may collect mileage. **You may not collect mileage for someone else.**
- The submitted entry form with the most mileage will win the **grand prize of a Gift Basket valued at \$1000**. In the event of a tie, the winner will be selected by a random draw of all the tied top place entries. To qualify for one of the \$50 in-store prizes, you must collect mileage from at least one shop per region. Collect as much mileage as you can by visiting as many participating shops in person. Collect 25 BONUS miles by visiting all shops in a region and 25 BONUS miles by visiting all 13 shops.
- Entries may be dropped off at any of the participating shops before or by end of business day on October 31st if open, or mailed to the address below. **Mailed entries must be received no later than November 13th, 2017**. A draw of all entries will take place after November 13, 2017 by the organizing committee. Winners will be notified by phone or email and listed on the 401 web site.

Have fun and please enjoy yourself doing the 401 Quilt Run
